Awakening Africa through Education

This was a jam packed literacy month with loads of activities!

World Book and Copyright Day - 23 April

This annual event is celebrated each year around the world! LTL received over 1000 books from Coronation Fund Managers that was distributed to 20 schools, impacting over 2000 learners. All the schools read together at 09:00 on this magical day!

LTL's ambassador, Nandi Mfeketho also joined in on the fun!

The Easter bunny was here!

The Easter bunny also loves literacy and made a delivery of 180 Easter Eggs to a few schools!

90 90 90

LTL's training focus for the month has been the 90 90 90 technique. It is a "catchy" and effective way to teach learners the correct seating position.

Holiday Programme

Each term LTL runs a Holiday Programme to assist learners that are in need of that little extra push to help them shine like the stars they are! This term's Holiday Programmes were held at Nooitgedacht Primary, Mkhanyiseli Primary and Levana Primary. An average of 50 learners joined!

Educator's WhatsApp Literacy Competition Winner

Congratulations to Mrs. Ceaser from Nooitgedacht Primary who won our very first WhatsApp literacy competition!
