

LIVING THROUGH LEARNING

CELEBRATING WORLD BOOK AND COPYRIGHT DAY

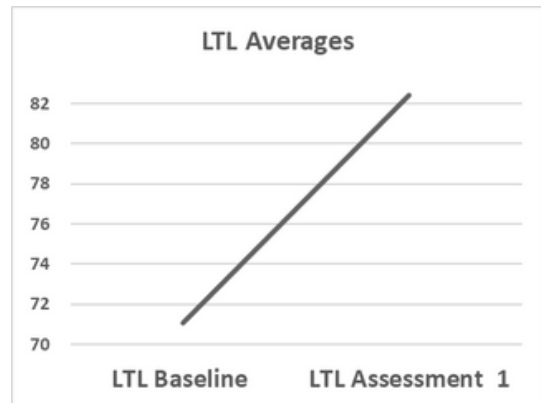

The excitement of almost 3000 books in one room had the learners jumping up and down! As part of Coronation Fund Managers' mobile library project, 21 mobile libraries were distributed as part of World Book Day. There are currently 74 mobile libraries in the Coronation supported schools. Ladles of Love also joined us on the day to feed over 500 learners at Cypress Primary School.

REFLECTING ON TERM 1 ASSESSMENT

We are pleased with the results achieved in term 1. Our educators and facilitators put a lot of hard work and effort into the first term to ensure our learners adjust to their new grade and work load. Our learners are confident and eager to learn!

Congratulations to our management and admin team for completing the NPO Resilience by Nedbank Wealth course from Trialogue Academy.

HOLIDAY PROGRAMME FUN!

The LTL holiday programmes are always jam packed with fun literacy activities for our learners! We had almost 30 learners join us from Levana and Cypress Primary. There was a 32% increase in results from the start till the end of the programme! We are very proud of our learners.

"I had fun working in class. We built words, sentences and read story books. I liked playing with the dough, building puzzles and playing in the park. I want to come again next time". Levana Primary - Seth Grade 2B

A MESSAGE FROM OUR FOUNDER, SONJA BOTHA

There is a saying "teamwork is at the heart of great achievement". So true. In term one each and every LTL team member, achieved miracles, contributed towards our stellar results, each in their designated role. It showed that our team was innovative, effective and productive. Well done TEAM!
